The Appeal

The Appeal is being launched by the Friends of St Margaret Pattens Church (Registered Charity Number 1062360/0) to raise money for much needed renovation and improvement of the Church.

This appeal is for the first phase of £100,000 to include Vestry modernisation and refitting, which will increase the space for entertaining after events such as this concert. Also a sound amplification system in the Church, and the renovation of a seventeenth century Benefactors' board.

There has been a Church on this site since 1067 and the current Wren Church was completed in 1687 after the Great Fire of London. It serves the local business community as it did for many centuries when Pattenmakers lived and worked in the area surrounding the Church. We are seeking to secure the future of the Church for the twenty first century and beyond.

Please Gift Aid your donation as the tax refund adds 28% to your donation.
